Dear Mark,

I wanted to take this opportunity to express my appreciation for the quality of the work Empeco has performed in the past 18 months for The Mather Foundation.

The renovation work, at both The Mather and The Georgian, was completed on time and within budget. In your business, that is an accomplishment.

I also appreciated the sensitivity shown by your workers to our resident's special needs and our special request.

I look forward to the opportunity of working with you on future projects.

Sincerely,
