Dear Mark,

We would like to thank you, albeit belatedly, for a job well done. It was truly a pleasure working with you to build our new house. Not only did you finish the job on schedule, but now, eight months after we have moved in, you are still always there for us whenever needed. We would not hesitate to build with you again, and moreover, would, with enthusiasm, recommend you to anyone.

Many Thanks,

Anita and Aron Cukier
