Dear Mark:

On behalf of Lois and myself, I would like to thank you for your continuing and thorough performance in reconstruction within our home. Your dedication to perfection, no matter the size of our job, is truly commendable.

We have been fortunate to work first with Bob Nemelini as job foreman and now Mike Drake. These men strive towards excellence. They are able to direct the tradesmen in a timely fashion and often "pitch" in to complete the job.

Each workman that has attended our job is efficient, qualified, polite and very neat. In each case our home was left immaculate. There has been excellent communication between your foreman, workmen and ourselves.

It is comforting to know that Empeco is qualified to meet our construction and home remodeling needs. We have recommended Empeco to our friends and acquaintances and will continue to do so.

Best of luck and keep up the excellent work.

Sincerely,

Gregory D. Moss, M.D.
Medical Director.
