Dear Mark,

Joel and I have now been in our renovated and enlarged home for 2 months since it was finished and I just wanted you to know how much we are enjoying it. What we are enjoying the most is the high quality of the workmanship of all the trades that you used including your own crew. The finished product is beautiful, top quality, and trouble-free. I would recommend Empeco to any prospective person who wants top quality work and a job well done for additions and renovations. We are very pleased.

All best wishes for the future.

Sincerely,

Carol Honigberg
