Dear Mark:

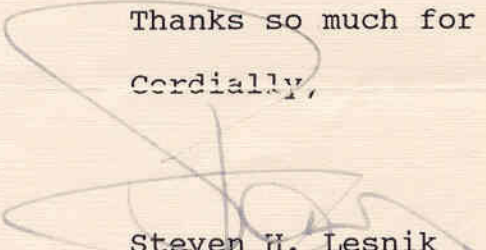

Mady and I returned from vacation to find our shower finally fixed. You're a magician, but more importantly you are an absolute gentleman.

We can't thank you enough.

Any time you need an endorsement or reference, I'm the guy to refer potential clients to. You can always count on a genuinely enthusiastic response. If everyone lived up to their word like you, the world would be a happier place!

Thanks so much for taking care of this.

Cordially,

Steven H. Lesnik  
Chief Executive Officer
